

Alberta Golf Hall of Fame - Player

Glenn Gray

Inducted: 2008

Club Affiliation: Drumheller Golf Club and Royal Mayfair Golf and Country Club

Starting in 1941 at the age of fifteen, Glenn was the Alberta Junior Champion for three consecutive years and followed that with Alberta Amateur victories in 1949 and 1952.

In the late 1940s and throughout the 1950s, Glenn was one of Alberta's leading amateurs making the Alberta Willingdon Cup team seven times.

Glenn's passion for golf extended beyond that of just being a player as he dedicated himself to leading junior golf programs while a member at the Royal Mayfair Golf and Country Club and as a board member of the Alberta Golf Association, of which he was elected president in 1968. Many of the junior interprovincial and international tournaments that are still played today in a variety of forms were pioneered by Gray.
