

Alberta Golf Hall of Fame - Player

Pat Heisler

Inducted: 2007

Club Affiliation: Earl Grey Golf Club

Pat Heisler won the Canadian Senior Ladies Championship in 1975 and was runner up for the same title in 1971 and 1974.

Between 1971 and 1979 she was the Alberta Senior Champion no less than six times and an Alberta senior team member for eleven straight years. Three times she won the Calgary Senior Ladies Championship title while winning the Earl Grey Ladies Club Championship title eight times and the clubs' senior ladies championship on ten occasions.

Although it appears that Pat's golf game blossomed after she turned forty-five, the fact of the matter is that she dedicated herself to teaching her teenage girls and their friends the game in her younger years. However, when she decided to play the game herself the results were simply incredible and, of course, of Hall of Fame stature.

Other Items of Note

For Pat the most important part of golf was teaching her teenage girls and their friends. For their enthusiasm and talent, her girls in the 1970s became known as the "Hustling Heislars".
